LECTURE 15

Let's apply our knowledge to another programming language!
LAST TIME...

- Revision
- Another Language
TODAY...

- Debugging + Revision
WHERE IS THE CODE?

Live lecture code can be found here:

HTTPS://CGI.CSE.UNSW.EDU.AU/~CS1511/22T2/LIVE/WEEK9/
Tell us about your experience and shape the future of education at UNSW.

Click the link in Moodle

my Experience surveys

http://myexperience.unsw.edu.au/
Come along and work on revision problems with the support of our lovely tutors.

Different from help-sessions (not one-on-one help)

Complete the form to help shape the style and content of the classes!
