Digital Forensics - COMP6445

Extended Digital Forensics - COMP6845

Course Outline 2020T3

These two courses run in an overlapping mode. Both share a set of common activities and assessments; however 6845 students have additional extension activities and assessments related to digital forensics and professional security engineering in lieu of some of the core activities undertaken by 6445 students. The information below applies to both courses except where otherwise indicated.
