

**SPECIAL CONSIDERATION: Standard Outcomes Decision Matrix**

<b>Assessment type</b>	<b>Description</b>	<b>Form of Consideration (Normal outcome for standard applications)</b>								
<b>In-Class Assessment</b>	Required Attendance / Participation Tutorial work (tutorial, practical, lecture, class) In-class assessments other than mid-session test e.g. practical worksheets, class presentations, quizzes, in class tests	Alternative/equivalent assessment								
<b>Submitted work</b>	Assignment (Essay, report, case study, proposal, literature review, projects, portfolio or design), Honours thesis and Dissertation	<p>Extension dependent on length of circumstance. Standard extension of days based on number of days impacted, e.g.</p> <table border="1"> <tr> <td>3 days impacted</td> <td>3 days extension</td> </tr> <tr> <td>4 days impacted</td> <td>4 days extension</td> </tr> <tr> <td>5-7 days impacted</td> <td>Maximum one-week extension</td> </tr> <tr> <td>10-14 days impacted</td> <td>Maximum two-week extension</td> </tr> </table> <p>Where impact is more than 14 days in a standard 10 week term, application will be discussed with Course Convenor.</p> <p>For shorter teaching periods, where the impact is equal to or more than 20% of the teaching period, application will be discussed with Course Convenor.</p>	3 days impacted	3 days extension	4 days impacted	4 days extension	5-7 days impacted	Maximum one-week extension	10-14 days impacted	Maximum two-week extension
	3 days impacted	3 days extension								
4 days impacted	4 days extension									
5-7 days impacted	Maximum one-week extension									
10-14 days impacted	Maximum two-week extension									
	Online Quiz Online Discussion/Participation	Alternative/equivalent assessment								
<b>Examination</b>	Mid-Session Test	Alternative/equivalent assessment								
	Final Examination	Supplementary exam in standard supplementary exam period								
	Take Home Examinations	<p>Extension dependent on length of circumstance. Standard extension of days based on number of days impacted, e.g.</p> <table border="1"> <tr> <td>3 days impacted</td> <td>3 days extension</td> </tr> <tr> <td>4 days impacted</td> <td>4 days extension</td> </tr> <tr> <td>5-7 days impacted</td> <td>Maximum one-week extension</td> </tr> <tr> <td>10-14 days impacted</td> <td>Maximum two-week extension</td> </tr> </table> <p>Where impact is more than 14 days in a standard 10-week term, application will be discussed with Course Convenor.</p> <p>For shorter teaching periods, where the impact is equal to or more than 20% of the teaching period, application will be discussed with Course Convenor.</p>	3 days impacted	3 days extension	4 days impacted	4 days extension	5-7 days impacted	Maximum one-week extension	10-14 days impacted	Maximum two-week extension
3 days impacted	3 days extension									
4 days impacted	4 days extension									
5-7 days impacted	Maximum one-week extension									
10-14 days impacted	Maximum two-week extension									

<b>Presentation</b>	Individual oral presentation	Alternative/equivalent assessment				
	Practical Project MUSIC extension activities	<p>Extension dependent on length of circumstance. Standard extension of days based on number of days impacted, e.g.</p> <table border="1"> <tr> <td>3 days impacted</td> <td>3 days extension</td> </tr> <tr> <td>4 days impacted</td> <td>4 days extension</td> </tr> </table>	3 days impacted	3 days extension	4 days impacted	4 days extension
3 days impacted	3 days extension					
4 days impacted	4 days extension					

<b>Skills-based/ Creative Assessments and/or Demonstrations</b>		5-7 days impacted	Maximum one-week extension
		10-14 days impacted	Maximum two-week extension
		Where impact is more than 14 days in a standard 10-week term, application will be discussed with Course Convenor.	
		For shorter teaching periods, where the impact is equal to or more than 20% of the teaching period, application will be discussed with Course Convenor.	
	Laboratory Practical Sessions / Lab work	Supplementary laboratory practical session (escalated to Tutor or Course Convenor)	
	Clinical skills assessment Professional experience placement, internship, or site visit Performance recital, jury-assessment performance or exhibition	New or varied evaluation	
	Journals and reflections	Extension dependent on length of circumstance. Standard extension of days based on number of days impacted, e.g.	
		3 days impacted	3 days extension
		4 days impacted	4 days extension
		5-7 days impacted	Maximum one-week extension
		10-14 days impacted	Maximum two-week extension
		Where impact is more than 14 days in a standard 10-week term, application will be discussed with Course Convenor.	
		For shorter teaching periods, where the impact is equal to or more than 20% of the teaching period, application will be discussed with Course Convenor.	
<b>Group assessments</b>	Group oral presentation Group case studies	Entire group granted extension of time agreed in consultation with Course Convenor (limit for extensions are up to one week)  or Alternative/equivalent assessment for the impacted student  Note: Must consult with the Course Convenor to determine the most appropriate outcome with regards to group work and communication with group members
